Description

Three arrows from a bamboo shaft and with a round, long tapered arrowhead from palm wood. The shafts are decorated with black line ornaments and wrapped with bast that is coated with colour below the tip. One of the arrows has a notch; the other two arrows are even at the end, without a notch.

The bundle of arrows comes from Papua New Guinea and presumably belongs to the collection of Albert Daiber; a definite attribution, however, is not possible.

Basic data

Material/Technique:	Bamboo, palm wood, bast
Measurements:	L 133 - 140 cm
