--	--

Description

Two shafts of arrows probably from reed, with notches but without the arrowheads. Above the notches and at one arrow at the upper end of the shaft, there are remains of a wrapping with bast.

The objects could not be determined clearly and since no corresponding entry in the inventory could be identified, the provenance is not cleared. Based on the material and the form these are probably shafts from African arrows.

Basic data

Material/Technique: Reed, bast
Measurements: L 60 cm
